Hereinafter collectively referred to as the “**Parties**”

**WHEREAS** according to the Claimants, a dispute has arisen between the Parties under the Agreement between the Kingdom of Spain and the Republic of Chile for the Mutual Protection and Encouragement of Investment, signed at Santiago on 2 October 1991 (the “**Treaty**”);

**WHEREAS** by Notice of Arbitration dated 12 April 2017, the Claimants commenced arbitration proceedings against the Respondent pursuant to Article 10 of the Treaty and the UNCITRAL Rules;

**WHEREAS** Article 10 of the Treaty provides as follows:

*1. All disputes concerning investments, as defined by this Treaty, arising between one Contracting Party and an investor of the other Contracting Party shall be, to the extent possible, resolved by amicable negotiations between the disputing parties.*

*2. If the dispute has not been resolved within six months from the time it is raised by one or the other of the parties, it shall be submitted, at the choice of the investor to:*

*- Either the national courts of the Contracting Party involved in the dispute;*

*- Or international arbitration in accordance with paragraph 3.*

*Once an investor has submitted the dispute to the courts of the Contracting Party which is involved or to international arbitration, the choice of one or the other of these procedures will be final.*

*3. In case of recourse to international arbitration, the dispute may be submitted to one of the following arbitration fora at the choice of the investor:*

*- To the International Center for Settlement of Investment Disputes (I.C.S.I.D.) created by the “Convention on the Settlement of Investment Disputes between States and Nationals of other States” opened for signature at Washington on March 18, 1965, provided that both States Parties to this Treaty have acceded to it. As long as the aforementioned condition is not met, each Contracting Party consents to the submission of the dispute to arbitration in accordance to the ICSID Additional Facility Rules.*

*- To an “ad hoc” arbitration tribunal established in accordance with the arbitration rules of the United Nations Commission on International Trade Law (U.N.C.I.T.R.A.L.).*

**WHEREAS** in their Notice of Arbitration, the Claimants proposed that the Secretary-General of the Permanent Court of Arbitration (the “**PCA**”) be designated as the appointing authority;

**WHEREAS** in its response to the Claimants’ Notice of Arbitration dated 12 May 2017, the Respondent asserted that the Notice of Arbitration was inadmissible, as it invokes the same dispute that has been decided in prior ICSID proceedings;

**WHEREAS** by letter dated 18 May 2017, the Claimants appointed Prof. Dr. H el ene Ruiz Fabri as arbitrator;

**WHEREAS** by letters dated 9 and 12 June 2017, the Claimants requested that the Secretary-General of the PCA decide their challenge to the arbitrator appointed by the Respondent, Mr. Stephen L. Drymer;

**WHEREAS** by letter dated 13 June 2017, the PCA invited the Respondent to comment on the Claimants’ request by 23 June 2017;

**WHEREAS** by letter dated 19 June 2017, the Respondent requested that the Claimants submit an English translation of their request and that its deadline to comment on the request be extended until 14 July 2017;

**WHEREAS** by letter dated 20 June 2017, the Claimants objected to the Respondent's request to communicate in English and for an extension of the deadline to submit its comments;

**WHEREAS** by letter dated 20 June 2017, the PCA informed the Parties that it agreed with the Claimants that, at this stage of the proceedings, the Parties were not required to provide their communications in English, but nevertheless granted the Respondent's extension request and advised the Parties that "considering that there is no agreement between [them] with regard to the language of the present proceedings," it would issue its future correspondence in both English and French (and Spanish if requested by any of the Parties);

**WHEREAS** by letter dated 30 June 2017, the Respondent argued that the PCA should not recognize the Claimants' Notice of Arbitration as giving rise to new arbitral proceedings since the claims advanced therein had already been finally decided in a prior ICSID award. The Respondent further argued that the challenge to Mr. Drymer was premature given that it had not yet appointed him as arbitrator, but only indicated an intention to do so;

**WHEREAS** by letter dated 1 July 2017, in light of the Respondent's assertion that it had not yet appointed Mr. Drymer, the Claimants withdrew their challenge to Mr. Drymer and requested that the PCA appoint the second arbitrator on behalf of the Respondent;

**WHEREAS** by letter dated 3 July 2017, the PCA took note of the Claimants' withdrawal of their challenge to Mr. Drymer and invited the Respondent to comment on the Claimants' new request that the Secretary-General of the PCA appoint the second arbitrator under Article 9(2) of the UNCITRAL Rules (2010);

**WHEREAS** by letter dated 10 July 2017, the Respondent indicated that it had not agreed to the Secretary-General of the PCA acting as appointing authority in this matter and proposed that the Secretary-General of ICSID be designated as the appointing authority. Moreover, it argued that it is the 1976 version of the UNCITRAL Rules, and not the 2010 or 2013 version, which applies and that the Claimants' request for the PCA to appoint a second arbitrator on behalf of the Respondent should be rejected;

**WHEREAS** by letter dated 11 July 2017, the Claimants asserted that (i) the Respondent had tacitly agreed to the PCA acting as appointing authority, (ii) the Secretary-General of ICSID should not be designated as appointing authority, (iii) the Respondent had failed to appoint the second arbitrator within the required time limit under the UNCITRAL Rules, and (iv) the PCA should therefore proceed to appoint the second arbitrator on behalf of the Respondent;

**WHEREAS** by letter dated 11 July 2017, the PCA noted that the 1976 version of the UNCITRAL Rules was applicable and that the Parties had not agreed to the Secretary-General of the PCA acting as appointing authority. Therefore, it invited the Claimants to indicate whether they requested that the Secretary-General of the PCA proceed to designate an appointing authority pursuant to Article 7(2)(b) of the UNCITRAL Rules (1976);

**WHEREAS** by e-mail later the same day, Mr. Drymer took note of his appointment as arbitrator and issued certain disclosures concerning his independence and impartiality;

**WHEREAS** by letters dated 11, 12, and 13 July 2017, the Claimants accepted Mr. Drymer's late appointment to the Tribunal, but requested that the PCA designate itself as appointing authority, given the Respondent's tacit acceptance of such;

**WHEREAS** by letter dated 13 July 2017, the PCA took note of the Claimants' withdrawal of their request that the PCA appoint the second arbitrator on behalf of the Respondent and invited the Respondent to comment on the Claimants' new request that the Secretary-General of the PCA designate an appointing authority pursuant to Article 7(2)(b) of the UNCITRAL Rules;

**WHEREAS** by letter dated 19 July 2017, the Respondent opposed the designation of the PCA as appointing authority and requested that the Secretary General of ICSID be designated instead as appointing authority;

**WHEREAS** by letter dated 22 July 2017, the Claimants reiterated their request that the PCA designate itself as appointing authority;

---

**NOW THEREFORE I**, Hugo H. Siblesz, Secretary-General of the Permanent Court of Arbitration,

- (1) Having sought and considered the Parties' views on the designation of an appointing authority;
- (2) Having had due regard to the provisions of the Treaty and the UNCITRAL Rules;
- (3) Having established to my satisfaction my competence to designate the appointing authority in this matter; and
- (4) Having ascertained from the individual named below that he is available and willing to act in this matter;
