ARTICLE 2

PROMOTION AND PROTECTION OF INVESTMENTS

1. Each Contracting Party shall encourage and create favourable conditions for investors of the other Contracting Party to make investments in its territory and shall admit such investments in accordance with its laws and regulations.

2. Investments made by investors of each Contracting Party shall at all times be accorded fair and equitable treatment and shall enjoy full protection and security in the territory of the other Contracting Party.

3. Neither Contracting Party shall in any way impair by unreasonable or discriminatory measures the operation, management, maintenance, use, enjoyment or disposal of investments in its territory by investors of the other Contracting Party.

ARTICLE 3

TREATMENT OF INVESTMENTS

1. Each Contracting Party shall in its territory accord to investments and returns of investors of the other

Contracting Party treatment which is fair and equitable and no less favourable than that which it accords to investments and returns of its own investors or to investments and returns of investors of any third State, whichever is more favourable to investors.

2. Each Contracting Party shall in its territory accord to investors of the other Contracting Party as regards management, maintenance, use, enjoyment or disposal of their investments, treatment which is fair and equitable and no less favourable than that which it accords to its own investors or to investors of any third State, whichever is more favourable to investors.

3. The provisions of paragraphs 1 and 2 of this Article shall not be construed so as to oblige one Contracting Party to extend to the investors of the other Contracting Party the benefit of any treatment, preference or privilege resulting from any international agreement or arrangement relating wholly or mainly to taxation, customs or economic union, a free trade area or regional economic organization.

ARTICLE 4

COMPENSATION FOR LOSSES

1. Investors of one Contracting Party whose investments suffer losses owing to war or other armed conflict, a state of national emergency, revolt, insurrection, riot or other similar situations in the territory of the other Contracting Party, shall be accorded by the latter Contracting Party treatment, as regards restitution, indemnification, compensation or other forms of settlement, no less favourable than that which the latter Contracting Party accords to its own investors or to investors of any third State. Resulting payments shall be freely transferable without undue delay.

2. Without prejudice to paragraph 1 of this Article, investors of one Contracting Party who, in any of the situations referred to in that paragraph, suffer losses in the territory of the other Contracting Party resulting from:

- (a) requisitioning of their property by its forces or authorities; or
- (b) destruction of their property by its forces or authorities which was not caused in combat action or was not required by the necessity of the situation,

shall be accorded restitution or adequate compensation no less favourable than that which would be accorded under the same circumstances to an investor of the other Contracting Party or to an investor of any third State. Resulting payments shall be freely transferable without undue delay.

ARTICLE 5

EXPROPRIATION

1. Investments of investors of either Contracting Party shall not be nationalized, expropriated or subjected to measures having effect equivalent to nationalization or expropriation (hereinafter referred to as "expropriation") in the territory of the other Contracting Party except for a public purpose or public interest. The expropriation

shall be carried out on a non-discriminatory basis and shall be accompanied by the provision of the payments of prompt, adequate and effective compensation, in accordance with legal procedures.

2. Such compensation shall amount to the fair market value of the expropriated investments immediately before expropriation was taken or before impending expropriation became public knowledge, whichever is the earlier, shall include interest at the commercially reasonable rate from the date of expropriation until the date of payment and shall be made without undue delay, be effectively realizable and be freely transferable. In both expropriation and compensation, treatment no less favourable than that which the Contracting Party accords to its own investors or to investors of any third State shall be accorded.

3. Investors of one Contracting Party affected by expropriation shall have a right to prompt review by a judicial or other independent authority of the other Contracting Party, of their case and of the valuation of their investments in accordance with the principles set out in this Article.

4. When a Contracting Party expropriates the assets of a company which is incorporated or constituted under its laws and regulations, and in which investors of the other Contracting Party participate or own shares or debentures, the provisions of this Article shall be applied.

ARTICLE 6

TRANSFERS

1. Each Contracting Party shall guarantee to investors of the other Contracting Party the free transfer of their investments and returns. Such transfers shall include, in particular, though not exclusively:

- (a) net profits, capital gains, dividends, interests, royalties, fees and any other current income accruing from investments;
- (b) proceeds accruing from the sale or the total or partial liquidation of investments;
- (c) funds in repayment of loans related to investments;
- (d) earnings of nationals of the other Contracting Party who are allowed to work in connection with investments in its territory;
- (e) additional funds necessary for the maintenance or development of the existing investments;
- (f) amounts spent for the management of the investment in the territory of the other Contracting Party or a third State;
- (g) compensation pursuant to Articles 4 and 5.

2. All transfers under this Agreement shall be made in a freely convertible currency, without undue restriction and delay, at the market rate of exchange prevailing on the date of the transfer.

ARTICLE 7
SUBROGATION

1. If a Contracting Party or its designated agency makes a payment to its own investors under an indemnity given in respect of investments in the territory of the other Contracting Party, the latter Contracting Party shall recognize:

(a) the assignment, whether under the law or pursuant to a legal transaction in that country, of any rights or claims from investors to the former Contracting Party or its designated agency, and

(b) that the former Contracting Party or its designated agency is entitled by virtue of subrogation to exercise the rights and enforce the claims of those investors.

2. The subrogated rights or claims shall not exceed the original rights or claims of the investor.

ARTICLE 8
SETTLEMENT OF INVESTMENT DISPUTES
BETWEEN A CONTRACTING PARTY AND AN INVESTOR
OF THE OTHER CONTRACTING PARTY

1. Any dispute between a Contracting Party and an investor of the other Contracting Party including expropriation or nationalization of investments shall, as far as possible, be settled by the parties to the dispute in an amicable way.

2. The local remedies at the competent tribunal under the laws and regulations of one Contracting Party in the territory of which the investment has been made shall be available for investors of the other Contracting Party on the basis of treatment no less favourable than that accorded to investments of its own investors or investors of any third State, whichever is more favourable to investors.

3. If the dispute cannot be settled within six (6) months from the date on which the dispute has been raised by either party, it shall be submitted upon request of either of the parties, to the International Centre for Settlement of Investment Disputes (ICSID) established by the Washington Convention of 18 March 1965 on the Settlement of Investment Disputes between States and Nationals of Other States.

4. The award made by ICSID shall be final and binding on the parties to the dispute. Each Contracting Party shall ensure the recognition and enforcement of the award in accordance with its relevant laws and regulations.

ARTICLE 9
SETTLEMENT OF DISPUTES BETWEEN
THE CONTRACTING PARTIES

1. Disputes between the Contracting Parties concerning the interpretation or application of this Agreement shall, if possible, be settled through consultation or diplomatic channels.
2. If any dispute cannot be settled within six (6) months, it shall, at the request of either Contracting Party, be submitted to an ad hoc arbitral tribunal in accordance with the provisions of this Article.
3. The arbitral tribunal shall be constituted for each individual case in the following way: Within two (2) months from the date of receipt of the request for arbitration, each Contracting Party shall appoint one member of the tribunal. These two members shall then select a national of a third State, who on approval of the two Contracting Parties shall be appointed Chairman of the tribunal. The Chairman shall be appointed within two (2) months from the date of appointment of the other two members.
4. If within the periods specified in paragraph 3 of this Article the necessary appointments have not been made, a request may be made by either Contracting Party to the President of the International Court of Justice to make such appointments. If the President is a national of either Contracting Party or otherwise prevented from discharging the said function, the Vice-President shall be invited to make the appointments. If the Vice-President also is a national of either Contracting Party or prevented from discharging the said function, the member of the International Court of Justice next in seniority who is not a national of either Contracting Party shall be invited to make the appointments.
5. The arbitral tribunal shall reach its decision by a majority of votes. Such decision shall be binding on both Contracting Parties.
6. Each Contracting Party shall bear the costs of its own arbitrator and its representation in the arbitral proceedings. The costs of the Chairman and the remaining costs shall be borne in equal parts by both Contracting Parties. The arbitral tribunal shall determine its own procedure.

ARTICLE 10

APPLICATION OF OTHER RULES

1. Where a matter is governed simultaneously both by this Agreement and by another international agreement to which both Contracting Parties are parties, or by general principles of international law, nothing in this Agreement shall prevent either Contracting Party or any of its investors from taking advantage of whichever rules are the more favourable to his case.
2. If the treatment to be accorded by one Contracting Party to investors of the other Contracting Party in accordance with its laws and regulations or other specific provisions or contracts is more favourable than that accorded by this Agreement, the more favourable treatment shall be accorded.

3. Either Contracting Party shall observe any other obligation it may have entered into with regard to investments in its territory by investors of the other Contracting Party.

ARTICLE 11
APPLICATION OF THE AGREEMENT

This Agreement shall apply to all investments, whether made before or after its entry into force, but shall not apply to any dispute concerning investments which was settled before its entry into force.

ARTICLE 12
ENTRY INTO FORCE, DURATION AND TERMINATION

1. The Contracting Parties shall notify each other when all constitutional requirements for the entry into force of this Agreement have been completed. This Agreement shall become effective thirty (30) days after the date of the last notification.
2. This Agreement shall remain in force for a period of fifteen (15) years and shall remain in force thereafter indefinitely unless either Contracting Party notifies the other Contracting Party in writing one year in advance of its intention to terminate this Agreement.
3. In respect of investments made prior to the termination of this Agreement, the provisions of Articles 1 to 11 of this Agreement shall remain in force for a further period of fifteen (15) years from the date of the termination.
